5/26/2011 18:47	Guest	Thank you so much for adding a webcast element to this process!	Yes
5/26/2011 18:53	Nansen	hello	No
5/26/2011 19:09	Nansen Malin	My testimony for north part of the state. Keep the rural Whatcom County in the 42nd LD. Take the excess population from the 42nd out of Bellingham city.	Yes
5/26/2011 19:12	Nansen Malin	Also, it makes sense to keep the connection of Island Co and Skagit County in the 10th District. That keeps a land connection between Whidbey island and the district. Finally, Mt Vernon should remain in the 40th District.	Yes
5/26/2011 19:16	Lona Wilbur	Request for Skagit County to remain within the 40th LD boundary lines. Currently Skagit has 3 LD's: 10th 39th and 40th. All of Skagit County should be located within 1 LD. Example the portion of LaConner, Swinomish, Shelter Bay, Summit Beach, march Point, Channel Drive, Dodge Valley hold more in common with Anacortes, Mount Vernon and Burlington then with Whidbey Island. Including geographical likeness, Swinomish, Samish and Upper Skagit Tribes have commonality to drawn within the same LD.	Yes
5/26/2011 19:18	Lona Wilbur	Snee Oosh Beach included in the previous comment.	Yes
5/26/2011 19:24	Lona Wilbur	In regard to the 2nd CD, has 8 Tribes: Tulalip, Stillaguamish, Suak Suiattle, Swinomish, Samish, Upper Skagit, Nooksack, Lummi Tribes, these 8 Tribes need to continue to remain drawn within the 2nd CD as they maintain commonality to justify this to continue.	Yes
5/26/2011 19:39	Lona Wilbur	If the redistricting committee has language to maintain populations, boundary lines by commonality then this needs to given open consideration in the decision making process for equality, fairness and justice in representation within LD's and CD's. thank you!	Yes
5/26/2011 19:41	Nansen Malin	thanks!	No
5/26/2011 19:41	Lona Wilbur	du ha dups, Thank you!~	Yes
