| 6/30/2011 19:38 | Whitney-Rose Levis | I grew up in Sequim and Port Angeles in Clallam County. I now live in Parkland in Clallam County. I have been disappointed that it is the same U.S. House of Representative election in these areas. I think that the districts should have close geographic areas in order for the representative to represent more cohesively. | Yes    |
