12/13/2011 10:42	Dwayne Berg, Marysville	Why is this taking so long? The last commission was much more productive.	Yes
12/13/2011 10:47	Paul Wagemann. Lakewood, WA	Will there be time to comment on final draft and presentation to Legislature? The two draft plans for the 28th appear to be very far apart. As I have commented before including Tacoma in the 28th does not make sense to me for a multitude of reasons. These include breaking up individual cities that have chosen to break away from Tacoma. It also gives Tacoma additional representation while diluting the representation of outlying communities. It would be helpful to have time to comment on the final draft. I appreciate the committees service to our state. Thank you for your work.	Yes
