

**Comments on Redistricting Commission's Draft Plans
November 18, 2011**

Messages to the Commission		CD	LD
11/18/2011	Commissioners Powell, Gorton, Ceis, Foster, and Huff: I was recently elected to the Sammamish City Council and in reviewing the current redistricting plans I am concerned that despite the stated objective of the Commission on keeping cities whole in one district (keeping "communities together in districts") -Sammamish appears broken up in various re-districting plans. I want to reiterate to the commission that the city of Sammamish and its Citizens are better served by being kept whole and together in one district. I would appreciate being kept abreast of the re-districting plans and how it affects our city. If you have any questions please do not hesitate to contact me. Best Regards, Ramiro Valderrama Sammamish		Ramiro Valderrama Sammamish City Council rvalderr2001@yahoo.com
