12/06/2011	I would like to voice my opinion about redistricting Monroe with Eastern Washington. I STRONGLY DISAGREE that we belong with Eastern Washington. We have NOTHING in common with them and EVERYTHING in common with Snohomish County. We have been very happy with Mr. Rick Larsen and Mr. Jay Inslee and how they have represented us throughout the years. This appears to be just another way for the Republican Party to try and take control. I do not appreciate their antics. They have made the mess this country is in now and are still trying to take care of their RICH FRIENDS. PLEASE LEAVE US WITH WESTERN WASHINGTON WHERE WE BELONG!!!
