| 12/20/2011 | I live in East Jefferson County - just North of the Hood Canal Bridge and I want to keep the 24th District the way it is now. The proposed changes would dice the county into illogical boundaries--we have very different land use, economic, environmental, and transportation issues plus our population is different than Kitsap County and would be poorly represented by offered change. | | 24 Judith Walls 190 N Bay Way Port Ludlow WA 98365 judithwalls@q.com 360-467-2394 |
