

Comments on Redistricting Commission's Draft Plans
December 28-29, 2011

Messages to the Commission		CD	LD	
12/29/2011	I realize the pressure that the Commission is under and I appreciate all the hard work that you have done to this point. However I feel it is irresponsible to implement a map such as the one proposed by Commissioner Huff and here is my believe of why I see it as irresponsible. I recommend as someone who has lived in the 6th District for 9 years and has voted in every election the 6th District for 4 years since I turned 18 in 2007 that the 6th District be redistricted into a more competitive district. It is absolutely absurd to redistrict the 6th into a republican safe seat. The reason the commission was formed was to avoid these types of gerrymandering tactics by a controlling party. I think it is totally unfair and does not do the 6th district any justice. The goal is to create something that is more representative of different types of lifestyles, backgrounds and political ideologies. This is a political game and it is irresponsible to play such games. As a Political Science major at the University of Idaho I have taken a Congress class that focused on gerrymandering and I have seen that political gerrymandering causes divides such as in Texas when Democratic lawmakers fled the state to Oklahoma to avoid a vote on an unfair political gerrymandering proposal by the leading Republican Caucus. I think that Commissioner Huff and all members of the Commission should work together to create competitive districts that represent the people of Spokane County and the 6th District more fairly. I hope you reconsider because the current map that was proposed by Commissioner Huff sets a bad example for future Commissions. Thanks for all your hard work and I hope you consider this recommendation in your decision,			Nick CastroLang Student University of Idaho and voting member of the 6th Legislative District Nick CastroLang cast7205@vandals.uidaho.edu
12/29/2011	Thumbs down on Commissioner Huff's strained attempt at dividing Spokane County into safe districts for incumbents and the unnecessary creation of a fifth district. Spokane County's suburban communities like Cheney and Medical Lake include a mixture of conservative and progressive blocks and they should be incorporated in the existing 6th District reflecting the actual population in this District. Let's not start slicing and dicing up Spokane County to pretend that we can legislatively prevent changes in voting patterns that simple demographics are driving. Dump the Huff plan, so that we in Spokane County can be fairly represented by people we actually choose.			Jim Wavada 318 W. 32nd Ave. Spokane, WA. 99203 6th Legislative District jimvw2@msn.com 509-999-1864
12/29/2011	Re: Spokane County. Please don't chop up Spokane County by selecting the Huff plan for LDs. Those who organize everything from campaigns to picnics are looking forward to the Foster plan boundaries that make sense and are actually based on natural geographic boundaries, supported by other political boundaries as well such as school districts, commissioner districts, and more. The logic of the Foster plan for Spokane County must outweigh any devilment being sought by the Huff plan.	5	4	Valerie Rongey 304 S Conklin Rd Spokane Valley, WA 99037 valerina@upanatm.com 509-710-8977

Comments on Redistricting Commission's Draft Plans
December 28-29, 2011

Messages to the Commission		CD	LD
12/29/2011	I strongly oppose Commissioner Huff's redistricting proposal. Cheney, Medical Lake, and Airway Heights should absolutely be included in the 6th District. They interact closely with Spokane County communities, industry and legislators and their interests should be further incorporated versus continuing to be isolated. Commissioner Ceis initially proposed a map that incorporates logical boundaries using streets as major borders and should be reconsidered. Splitting Spokane County into 4 districts versus 5 is important if our interests are to be represented in the state legislature. Commissioner Huff's proposal blatantly disregards the bi-partisan make-up of the suburban parts of Spokane County. It is simply not in the best interest of our community. It is offensive that you are abandoning Spokane County in this effort and hope you will quickly rectify this.		Sharon Smith 820 N Post St #603 Spokane WA sks519@comcast.net 509-999-9926
12/29/2011	It was brought to my attention that a separation of Dash Point and Browns Point may be in the plans for redistricting - Dash Point is not a part of Federal Way and they do not have any desire to see Dash Point as an advantage. As a board member of the Dash Point Improvement and Social Club, I would like to ask you to not separate the representation of Dash Point and Browns Point. Dash Point has a long life since 1901 as an active community and have long been a part of the representation with Browns Point in the Tacoma area. I understand this new map of representation may be "official" as of Jan 1st... please reconsider this separation of two active communities, if in fact this is the current plan. We work hard to be part of a valued community and wish to be represented in a common message along with Browns Point. Please let me know your decision. Thank you for your attention to this request!!		Karen Hansen Wyman & Associates khansen@wymanassociates.com 888-413-6804
12/29/2011	Bellingham is getting screwed over in this proposal. Our town is more than the city limit sign and it's unconscionable that we will be chopped up for the convenience of one political party—the Republicans. District 2 needs to remain as is or include all of Whatcom County east of the mountains.		Tamara Compton 309 Crown Lane Bellingham WA 98229 compton-cox1126@comcast.net
12/29/2011	I was very disheartened when I looked at the redistricting and found we would no longer be in Dist 8, with Dave Reichert, but would now be in Dist 9, and that very little of this Dist includes the eastside. I would ask that you consider at least including Medina, Clyde Hill, and North Kirkland in this Dist. I know you are wanting to make a more minority Dist, but what about the rest of us who have lived in this area, all or most of our lives?? I feel this Dist needs to move more to the North, and include more of the Eastside, or put Bellevue in Dist 8 or Dist 1.		Linda Shoemaker 480 131st Ave NE Bellevue WA 98005 linda@ames-shoemaker.com

Comments on Redistricting Commission's Draft Plans
December 28-29, 2011

Messages to the Commission		CD	LD	
12/29/2011	Please ensure that all of Seattle is in one congressional district. I live at 21st and E. Union in Seattle's Central Area and have found that the emphasis of placing all minorities into one legislative district troubling where it is not honoring geographic nearness and access and divides neighborhoods. This usually dilutes the influence those groups could exert in more than one district while at the same time creating barriers for those who are trying to advocate for their neighborhoods and schools. Dividing neighborhoods hurts the neighborhoods where people live. The Central District and area of Seattle between E. Madison and I 90 represents some of the oldest residential neighborhoods of Seattle and should be included in the District that represents most of Seattle. For instance Seattle schools, transportation, roads, air have both State and Federal issues and should be left whole in order to advocate as one. No, minority populations should not be divided in a way that purposely splits naturally concentrated neighborhoods and geographic areas. However, dividing the neighborhoods they are in and not honoring boundaries that allow for easy access to other parts the same district creates barriers for all to participate and advocate for their streets, schools, transportation, public safety, and much more. Please as you draw the Congressional lines and Washington State Legislative Districts please remember these points. I hope that part of your mission is to do the best you can for all the citizens of this state. I have not had time recently to follow all of the details			Joanna Cullen jfoxcullen@gmail.com 206-329-8514
12/29/2011	I strongly support the Eastern WA legislative map proposed by commissioner Ceis for the following reasons: - The West Plains of Spokane County is arguably our biggest economic engine and needs to be united under one legislative district (the 6th). It is crucial for the Spokane International Airport, Fairchild Airforce Base, Airway Heights, Cheney and Medical Lake to all be in the 6th district to get the best representation in Olympia. - The Ceis map will split Spokane County into 4 districts instead of the current 5. This splits less communities and towns and creates more logical boundaries with better representation. - The Ceis map also makes more logical use of streets as boundaries. Thank you for your time and consideration. - Jon Snyder	5	3	Jon Snyder City of Spokane 107 N. Maple St Spokane WA 99210 jsnyder@spokanecity.org 509-625-6255
12/29/2011	I believe it is time to unify Cowlitz County. Please consider bringing Cowlitz County into a single competitive Legislative District.			Cheryl Huff Kelso WA CherylLHuff@Comcast.net
12/29/2011	The most recent news reports indicate 4 Republican Congressional Districts and 6 Democrat Congressional Districts. A balance of 5 & 5 would provide for better representation in WA D.C. for the people in WA State.	4	13	Joyce Mulliken 601 S. Pioneer Way, Ste. Comments on Redistricting Commission's Draft Plans
December 28-29, 2011

Messages to the Commission		CD	LD	
12/29/2011	Get me out of the 8th district! I'm one block from getting out so please move some lines. I live one block east of Meridian Ave and one block south of 132nd St E on South Hill. These two streets form the proposed boundary between the 8th and the 10th. I wish to have someone that actually represents me in Congress, something I haven't had for decades.			Jim Hamre 13307 104th Ave CT E Puyallup WA 98374 jimhamre@mindspring.com
12/29/2011	Thanks Jill. I agree!			Gayle Holcom, VP gholcom@pheinsurance.com 253-284-9353
12/29/2011	As a former 16 year non-partisan office holder in SE Spokane County I have been and continue to be extraordinarily displeased with the map of Spokane County the tends to hack up my area and align it with parts of the county that we are not physically, commercially or politically aligned. SE Spokane County is aligned with the Spokane Valley and the 4th Legislative District, not with the 9th and not with the 6th. We need to return to boundaries as they were 20 years ago and align the 4th from the Valley south to the County line. Actually there should be no representation of the 9th in Spokane County at all. During the last 20 years, with portions of the 9th in Spokane County, those voters have been under served. That LD has traditionally aligned to the south and west politically and commercially and getting response from 9th LD legislators has been scant. Highway 195 is a natural dividing line for southern Spokane county politically, physically and commercially and that is where the line should be established as it is in one of the plans. That plan also logically aligns the areas of Cheney, Medical Lake and Airway Heights/West plains in the 6th as they should be, and keeps the 3rd as an urban district. Again these are logical solutions and represent the communities as they should be.	5	9	Dave Koch 10211 E Connor Rd Valleyford WA 99036 Dave_Koch@msn.com 509-448-8672
12/29/2011	As a long time civic leader and having chaired Sacred Heart Medical Center, Spokane Area Chamber, Trustee of Gonzaga & chairman of Red Lion Hotels which depends heavily on EWU, I URGE you to immediately reconsider the 6th LD boundaries and use the Ceis map so Cheney and West Plains economic and educational interests are tied to Spokane's future. This is critically important to the both the balance of political interests and the very future of Spokane as the hub of the inland northwest. Do not hesitate to call me at 509-951-9535	5	3	Don Barbieri Red Lion Hotels Corporation 820 N. Post St #603 Spokane WA 99201 dkbarbieri@comcast.net 509-951-9535

12/29/2011	PLEASE do not separate Dash Point in Pierce County from Browns Point in Pierce County into a Federal Way represented district. The communities of Dash Point/Browns Point have shared history since 1901 when lines were drawn between Pierce and King Counties. The community of Dash Point is in Pierce County. The Points NE Historical Society represents both communities and NE Tacoma. See www.pointsnortheast.com Federal Way has suggested annexation of Dash Point to a resounding NO from the Dash Point Community. The State Park named after this community is in Federal Way only but a BRIDGE separates the city from unincorporated Dash Point. THINK about a can of worms about to be opened.			Jill Barkley Lifetime Resident/Community Planning Board PC Jillcwt@comcast.net 253-927-3329
12/29/2011	I am not fond of the idea that forms the 10th Congressional District. We are still a rural area and I feel that we will not be represented in a manner that goes with our rural roots. The difference between us and Olympia is night and day. Leave us with the 3rd District. Another question is why you lumped Tacoma in with the 6th District is beyond me? I guess you are just looking to fill the seats with Democrats.	3	20	Ann Cox 16921 Kaylen Lane SW Rochester WA 98579 ann.m.cox@gmail.com
12/29/2011	Do not chop up Whatcom Co. for the convenience of one political party. Keep all of Whatcom Co. east of the mountains or Highway 9 as part of District 2. Bellingham is more than just the city limit sign. It's unconscionable that we are being divided this way.	2	40	Tamara Compton 309 Crown Lane Bellingham WA 98229

12/29/2011	I live in the intercity 6th LD and the last redistricting was based on partisan politics even though public hearings asked specifically that common sense and realistic natural boundaries be used. The Huff redistricting map once again is all about partisan politics and not common sense or common communities. Gerrymandering an awkward shaped 6th LD once again is an insult to those living in the 6th. People living in Spokane City have little or no common issues with the rural wheat farmers in SE Spokane County. Please use common sense for us. Thank you.	5	6	E J Thew 4102 W Wellesley Ave Spokane WA 99205 beththew@msn.com 509-929-0688
12/29/2011	How about supporting MS technology. Google earth? No thanks! That's as far as I got...I'm not installing their awful software.	1	32	
12/29/2011	As a resident of Franklin County, I strongly urge the Commissioners not to split Pasco between two separate legislative districts. This is not in the interests of the people of Pasco or Franklin County. Thus, of the two proposals, I clearly prefer the Foster Proposal.	4	16	William T Pennell 7420 Ricky Road Pasco WA 99301 bill@craea.com 509-547-2131

Comments on Redistricting Commission's Draft Plans
December 28-29, 2011

Messages to the Commission		CD	LD	
12/29/2011	I have tried numerous times to submit comments, but have recieved informatin that my message would not go through. I will try once again. Please keep Pasco in one (1) legislative district, no matter what it is. It makes no sense to split a small community. Please keep the community of Pasco in one legislative district.	4	16	
12/29/2011	As a Latino Viet Nam era veteran, I am asking the Redistricting Commission to be fair for once in your life and make Benton/Franklin and Yakima counties new Latino majority Legislative districts! Make history tomorrow.			Jesus Y. Rodriguez Everett WA 98206 profejyr@aol.com 425-923-0904
12/29/2011	There is no godly reason for the 1st and 2nd districts to split Whatcom and Skagit counties, except as an exercise in political expedience. I am extremely disappointed that the 2nd district has been so wildly redefined in the Ceis/Gorton plan with basically no effort made to keep the smaller counties in the north sound intact. The fact that the 2nd could have easily been drawn to include San Juan, Island, Whatcom, and Skagit counties, with additional population from Snohomish, indicates a severe breakdown of the redistricting process that is disheartening.	3	20	Van Anderson 490 Cannon Rd Packwood WA 93621 vanisaac@hotmail.com
12/29/2011	The new border between CD3 and CD10 follows the south city limits of Tenino. There is a Tenino UGA area of about 25 acres that has been left in CD3. The area is currently unoccupied. It would be helpful for future planning to include this UGA in CD10, since it is likely to be annexed into a CD10 precinct.	3	20	Paul Donohue Tenino Planning Commission PO Box 4019 Tenino WA 98589 pdon1127@comcast.net 360-264-2002
12/29/2011	Under the cuurent Slade Gordon plan the 40th is going to end up heavily democratic and the 42nd heavily republican. This type of split makes it very difficult for the party in the minority to even get candidates to run. I feel that you should target an even split between parties based on historic voting turnout.	2	40	Larry Helm 2660 E 41st Terrace Bellingham WA larnsha@earthlink.net 360-592-0144
12/29/2011	Please do not split Lincoln County. We would like to remain in the 7th district where we feel we are rrepresented the best. It makes absolutley no sense to split a small rural county	5	7	Rob Coffman Wilbur WA 99185 coffmans@centurytel.net

**Comments on Redistricting Commission's Draft Plans
December 28-29, 2011**

Messages to the Commission		CD	LD	
12/29/2011	I believe of the two Eastern Washington plans, Commissioner Huff's plan makes the most sense when considering communities of interest. Commissioner Foster's plan brings the 7th district too far South into Spokane County down Hwy 2 and Hwy 395 through Colbert, Mead, and into Spokane, WA. This totally goes against the "communities of interest". The 7th district is a rural district and this would make it something very different. I don't think the constituents would be well served.	5	6	Mead WA 99021
12/29/2011	I believe the 10th Western border should be at the Thurston/Mason County Line and not extend all the way in to Mason County to include all of the City of Shelton. The citizens of Mason County would be better served if all of Mason County is in the 6th District.	6	35	Ross Gallagher Former Mason County Commissioner 240 South 7th Shelton WA 98584 rossgallagher@gmail.com 360-426-6411
12/29/2011	To Commission: I urge you to leave the 7th legislative district intact. The proposed Huff-Foster Tentative agreement make little or no sense. Please use common sense and not special interest influence to guide your decisions. I know you only get a chance to do this every 10 years and we are praying you don't screw it up. Thanks	5	7	Scott Hutsell 1700 4th st Davenport WA 99122 scotthutsell@hotmail.com 509-721-1982
12/29/2011	I would appreciate it if West Richland could be in the same legislative district as Richland. West Richland shares the same school district as Richland, some of the same water rights, and definitely a great majority of the same work force as West Richland is known for being a bedroom community for the Hanford Site workers. We do not have the same concerns in our small community as Prosser, Walla Walla, or Dayton and it makes no sense to lump us into their district. We've little to no county offices or even state offices in our community, no penitentiaries, no combines parked in yards, no large dairy farms. Our current representatives have a firm understanding of our community's needs and concerns. West Richland is known to be the Quad City in the TriCities. Since Pasco is in another county, it really makes West Richland the third leg in the Benton County Tri-Cities. Please try to maintain our "sense of community".	4	8	Lisa Benegas 3507 Southlake Drive West Richland WA 99353 ginsam5@yahoo.com
12/28/2011	I apologize and retract a part of my last comment. It appears the Foster proposal also divides a portion of Pasco and takes a small piece of Franklin County to the 16th. I would urge both to reconsider and keep Pasco and Franklin County intact.	4	16	Matt Watkins Mayor, Pasco 8616 Massey Drive Pasco WA

Comments on Redistricting Commission's Draft Plans
December 28-29, 2011

Messages to the Commission		CD	LD	
12/28/2011	Congressional Maps look good. On the eastern Washington legislative maps -- Lincoln County needs to be in one legislative district! -while I am a republican, I do believe Foster's map is better in Spokane county for the simple fact that the 6th isn't so gerrymandered. HOWEVER -- instead of playing incumbent protection, just make the 6th legislative district south of the river and the 3rd north of the river. It would make MUCH MUCH more sense . . .	5	6	
12/28/2011	I urge the Redistricting Commission to keep Pasco intact in a single legislative district as the City of Pasco and Pasco School District recently affirmed via resolution. The most recent 2/28 proposal by Foster not only appears to accomplish this goal, but also follows county lines for all of Franklin County and others in the proposed 9th district. It also seems a better fit than the 12/28 proposal by Huff that appears to divide counties unnecessarily by pulling part of Pasco and Franklin County into the 16th while also moving part of Spokane County into the 9th. Please keep Pasco intact. Thanks all for your hard work on this important work.	4	16	Matt Watkins Mayor, Pasco 8616 Massey Drive Pasco WA 99301 councilmatt@mattwatkins.net 509-416-6696
12/28/2011	Splitting Lincoln county along Highway 2 is flat out stupid. You're going to take 4 small towns of around 800 people and split them in half. There is now way you can accurately represent this way.			Jim Adams Reardon WA 99029 fromthehelm@gmail.com 509-990-7770
12/28/2011	In reviewing the proposed maps for Foster & Huff - all I can say is you did not listen to any of the local testimony, you have put the northern part of the 4th into the 7th where we have NO similarities. This could have been a very easy fix if only you would listen to people who live here rather than thinking you know best - which you obviously don't.	5	4	C Wright Colbert WA
12/28/2011	Good job guys! I live in Olympia and am really pleased to be out of the 3rd Cong. District. We have waited a long time to get this designation.	3	20	Alberta J Mehring Retired 5720 Boulevard Ext. Rd. SE Olympia WA 98501 ajmehring@comcaat.net
12/28/2011	I believe that Commissioners Ceis and Gorton have done an outstanding job of balancing all the factors that must be considered in Congressional redistricting. As a resident of North Bend, I feel just at home in an 8th Congressional District that includes Kittitas and Chelan as I did when it included Mercer Island and Bellevue. I am very happy with the new "I-90" district. Thank you, Jena Gilman	8	5	Jena Gilman 1480 SW 10th St North Bend WA 98045 jena.gilman1@gmail.com

**Comments on Redistricting Commission's Draft Plans
December 28-29, 2011**

Messages to the Commission		CD	LD	
12/28/2011	Issaquah does not belong in the revamped 8th District, with its greatly expanded rural coverage. Just when the City of Issaquah has approved a major urban redevelopment project confirming Issaquah's role as a feeder community to Seattle and Bellevue, the City is separated from Western Washington's urban areas and relegated to congressional stepchild status. Issaquah and the Sammamish plateau are not rural areas, and their citizens do not deserve to be shuffled off into a rural Congressional district.	8	48	Kristy Fox Weiszmann Fox Law Office PLLC 1420 NW Gilman Blvd #2-2138 Issaquah WA 98027 kristyfoxlaw@comcast.net 425-437-0123
12/28/2011	The newly released Ceis-Gorton plan today places the 10th Congressional District where it sensibly belongs. The stretching and refining of boundaries places this district where I expected it would go all along. My only complaint about the plan is for the northwest part of the state. The 1st and 2nd districts ought to be divided north and south, not generally east and west. Make the 1st CD mostly a Snohomish Co. district and the 2nd CD mostly a Skagit, Whatcom Co. and islands district. Keep major watersheds and large counties as intact as possible in drawing the boundaries.	7	43	Tim Gould 4411 Woodland Park Ave N. #1 Seattle WA 98103 4cleanair@usa.net 206-675-0691
12/28/2011	It appears to me that the redistricting committee made a valiant effort to provide an equal balance of the population statistics when generating the proposed redistricting map for Washington State. They are to commended for not being like many of the states that sought to restrict the ability of minority persons to exercise the Constitutional right to vote.	6	29	James A Manning Michele's Closet, Inc. 8101 48th Ave SW Lakewood WA 98499 cjam1911@gmail.com 253-474-5267
12/28/2011	This comment is in regard to the draft proposal for Congressional districts released on December 28, 2011. I would like to urge the commission to reconsider how the boundary lines are drawn between the 8th and 9th districts in the Kent East Hill area and to include more of Kent East Hill within the proposed new 9th district, particularly the area east of 104th Ave SE to 132 Ave SE and south of SE 240th to Highway 516. This area is much more similar to the proposed new 9th district than to a predominately suburban, exurban, and rural new 8th district. The ethnically diverse population of this area may be better represented within the 9th district than in the 8th. Thank you for your consideration.	8	47	Laura Poyneer 25832 113th Ave SE Apt. F-203 Kent WA 98030 Impoyneer@comcast.net
12/28/2011	I recommend that the commission reject this proposal. Kittitas county should remain in the 4th Congressional District not become part of the 8th. Eastern & Western Washington have different interests.	4	15	John Pickens 51 E Centennial Dr. Zillah WA 98953 jpick151@aol.com 509-961-0142

Comments on Redistricting Commission's Draft Plans
December 28-29, 2011

Messages to the Commission		CD	LD	
12/28/2011	I do NOT care for the current Gorton-Ceis redistricting efforts. This plan takes me from the 8th district and puts me in the new 10th district. It puts a large area of unincorporated Pierce County (South Hill of Puyallup) in this new Olympia-dominated district. Although we were always in the outskirts of the district (8 and the new 10), I feel that the 8th better suits our community. The new redistricting runs down the middle of Meridian in Puyallup, splitting the area in half. Being on the west side of Meridian, we are thrown into the new "Olympia" district. Sorry, but we in Puyallup have nothing in common with Olympia. Nor do we want to share a congressional district with them.	8	25	Dan Buckley 17216 93rd Av E Puyallup WA 98375 seahawksfan@gmail.com
12/28/2011	The proposed map released today, Dec. 28, are horrendous. Seriously, what does Ferndale have in common with Bothel or Kirkland? You've already ensure that the three idiot republicans who represent us in the state are safe, so now you want to saddle us with Koster or some other know nothing?	2	42	
12/28/2011	I don't have many questions just not too happy. I am a rural constituent without broadband. When I open a map that takes forever then find virtually nothing on it I don't know if the system is flawed or not. Right now it seems flawed. For my rural area the Gordon map was totally out of reason and I am not happy if any part of that plan is adopted for Spokane County.			Dave Koch ACRAnet Spokane WA mfpquilts@hotmail.com 509-324-1323

12/22/2011	I look forward to seeing a new legislative map for the whole state on Tuesday. In all fairness, surely the second largest city in Washington should have as much time to adjust LD boundaries as the town of Milton did at today's meeting.			Sue Lani Madsen
