11/14/2011	There is no science behind this request but I would really like my house to be moved back into the 1st legislative district from the 39th. My area has very little in common with the 39th. People who live on my block are integrated into the Bothell/Woodinville area and I'd like to keep it that way. I submitted a physical 3rd party map that kept my area in the 1st.	39	Guy Palumbo 10526 221st Pl SE Snohomish WA 98296 guypalumbo@hotmail.com

11/14/2011	<p>I have studied the 4 recommended legislative proposed districts and prefer #1 Ceis; #2 Foster & last #3 Gorton. The Huff plan is unacceptable as it changes nothing. As an active Republican I would like to see Franklin County in unity without Walla Walla County. The Republicans in Franklin County are not pleased with District 16 gerrymandering out our county dividing us up with District 9. We prefer the representation we get with District 9 and see those representatives more often at our GOP meetings. We share a lot of activities with Benton County, so putting District 9 closer to District 8 is the best option for us. I know there are "politics" involved with your decisions, but I hope you will do what is best for Franklin County. On another note - Franklin County has not had a representative living in District 16 since Doc Hastings was elected. That was before I moved here over 21 years ago. ...Please get Franklin County OUT of DISTRICT 16!!!</p>	4	16	<p>Brenda High 7624 Deseret Drive Pasco WA 99301 509-547-1052 brenda@jaredstory.com</p>
11/13/2011	<p>I am a resident of the 44th District. I favor the proposed district that incorporates half of Marysville and leaves Mill Creek out. Marysville has ties to Snohomish and Lake Stevens, but no ties to Mill Creek whose interests might be more akin to Bothell, Lynnwood and Edmonds. Thasnk you.
