Subject: Splitting Seattle for Majority Minority -- NO!!!!
Date: Saturday, March 26, 2011 6:29:09 PM

DO NOT SPLIT SEATTLE TO MAKE A "MAJORITY MINORITY" DISTRICT. I live in the heart of Rainier Valley and have for many years. This is wrong on so many levels I could write a thesis paper on it. Is there some kind of public hearing I can speak at? Please contact me if there is.
