Question: Do you realize how far I'm going to have to drive to get to one of these meetings from Tonasket?

Recommendation: I would like to have the redistricting committee consider adding Omak and Okanogan to the 12th Legislative District. The Methow Valley and the Mid-Okanogan have a lot more in common with the 12th than they do the 7th. Also I think the same line should be used for the split between the 4th and the 5th Congressional District.
