Hi. My name is Gayle Rundstrom and I am in the 15th Legislative District. HOWEVER, I live on Spud Mountain Road, north of Camas, in Clark County. I live, work and play in Clark County. If I want to visit my legislator in his office, I have to drive 3-4 hours to Yakima. This makes no sense whatsoever! And other people on my street are in the 18th Legislative District, which still makes no sense!

I have voted in every single election for which I was eligible, since I was 21 (yes, a while back). I would REALLY like to be represented by someone in Clark County.

Thank you for your attention to this matter when you are re-districting the state.
