Question:

Recommendation: Dear Redistricting Commission,

I am writing about state legislative redistricting. Currently the City of Shoreline is entirely within the 32nd LD. I hope it remains fully in the 32nd LD. Shoreline has it's own complicated development and growth issues and is a relatively new city. Two of our legislators are from Shoreline and they go to bat for us on city specific issues like development at Point Wells, aquisition of water and sewer services, etc. If the city is split and part of it becomes subsumed into the Seattle area, the legislators are likely to be elected out of Seattle and not understand or work as hard for Shoreline. Thank You.
