Question: I live near Toppenish, Wa. Why would you put the new district from below Yakima to below Prosser? The mexicans would be 75% and the remainder 25%, how does that give fair representation for the 25%? I have lived here for 74 years and helped develope this valley. Turn it to the mexicans. I don't think so!!

Recommendation: My suggestion is to draw a line north & south between Granger & Sunnyside. All east side or lower part would be in Tri cities district. All on the west side or upper part would be in the Yakima district. This evens out the mixture of mexicans,whites & other ethenic groups.People need to earn their stripes before commanding other people.
