Question:

Recommendation: There are no bus routes that can take people from one end of 37th district to the other. Giving the 37th the northern half of Renton, although it would create balanced district between Seattle and Renton would only make things worse. Madison Valley is not the Renton Highlands. The only way to fix this issue is to follow the law, make the 37th a Seattle only district make the 11th a Renton based district.
