---

Dear Redistricting Commission,

I write on behalf of the Asian Pacific Islander Coalition of Washington to support the Unity Map proposal by United for Fair Representation. This proposal would strengthen the representation of people of color, a rapidly growing, but currently underrepresented and very diverse, segment and community of interest of our state's population. Adopting this proposal would strengthen democracy in our state. Please adopt this proposal. Thank you.

Sincerely,

Diane Narasaki  
Chair, King County Asian Pacific Islander Coalition  
For the Asian Pacific Islander Coalition of Washington
