Enclosed are three maps to show my third-party plan for redistricting Washinton State so that all of Okanogan County is included in the 7th Legislative District.

The population of Okanogan 7th is 24, 457 and of Okanogan 12th is 16,663.

The population gain needed is 6761.

Such a change would require a change of 10,000 elsewhere.

My proposal would move West Spokane County precincts including 7006, 7007, 7008, 7009, 7010 and 7200 Fairchild AFB into the 6th LD and move the south boundary of 3rd LD to south Spokane City Limits.

My kit did not have markers or a return mailing label.

Respectfully,

Christine E. Clark
