Gentlemen:

Please accept my sincere gratitude.

You achieved the impossible! Two Democrats and two Republicans with opposing goals were able to agree on congressional district and legislative district lines that satisfied the incumbents and both political parties while accomplishing the goals of the minority community; a goal that eluded us for decades. It is nothing short of amazing.

Please know that as a citizen of this great state I am thankful for all your hard work on a job WELL DONE!

Sincerely,

The Law Offices of Lembhard G. Howell, P.S.

Lembhard G. Howell
