

# Washington State Legislative District Population Variance - 2009

Produced by the Office of the Secretary of State Elections Division - June 2010

2009 statewide and district population estimates by the Small Area Estimates Program of the Washington State Office of Financial Management. The "target" district population is the estimated 2009 state population equally divided by the forty-nine Legislative Districts. Map data by United States Census Bureau and Washington State Department of Transportation.

*Note: Office of Financial Management's 2009 statewide population estimate differs from the Census Bureau's 2009 statewide estimate of 6,664,195.*

**Variance from current "target" population of 136,086 per Legislative District - based on the 2009 estimated state population of 6,668,200.**
