Redistricting Commission to discuss community forums and deadlines for public input

Tuesday, May 10, 2011, 10:30 a.m. to noon, Hearing Room 3, John A. Cherberg Building, Olympia, Washington

At its May 10 meeting, the Washington State Redistricting Commission will discuss the schedules and agendas for the upcoming series of community forums to hear the public's perspective on how the boundaries of legislative and congressional voting districts should be redrawn. Commissioners will also consider deadlines for the public to provide their own redistricting plans for consideration. Other agenda items include meeting the Redistricting Commission staff who have recently joined the agency to support Commission activities; and hearing updates on the agency's budget and public outreach plans.

The meeting is open and the public is invited to provide comment. For information regarding testimony or handouts, or for people needing special accommodation, please contact Heather Boe at the Commission office at 360-786-0047. The meeting site is barrier free.
