This is unacceptable. This commission should follow the law and keep cities and communities of interest intact. No one in the northern part of the 37th cares what happens in downtown Renton, and no one in Renton carea about the Madison Valley area. Having 3 cities, 3 school systems, 2 library sytems, in one LD creates to many communities that have to complete for time and attention.	Yes
7/13/2011 18:42	Jonathan M. Fox	There is little doubt that this commission would not cut Mercer Island in half or or graft it on on Seattle District, since it would not do so to that area it SHOULD NOT DO IT TO RENTON	Yes
